MEMORANDUM FOR: Director of Security
Chief, External Affairs Staff, OPP

FROM: Director of Central Intelligence

Can you give me a one-page memorandum on our understanding of the origin of the leaks on the Libyan terrorist threat, i.e., why we know the Taubman story was pieced together without access to one or more of our reports - etc. etc. Also, try to check on the ABC report which appeared on Thursday night, the evening before the Taubman story in the Times. Are there any other stories on the specific Libyan threat, and what were the stories on Friday, Saturday and Sunday before the Qadhafi appearance with David Brinkley.
